 Notes 			
<ol style="list-style-type: none"> 1. The above prices are a guide to what it would cost for work to be done on old type locks or keys. 2. For an exact price, a quotation would need to be done by our locksmith. For a quotation we need the lock removed from the box and the number of keys you require. 3. Always send old locks to us in special delivery envelopes and insure for not less than £500. These items are no longer made and are irreplaceable. 4. Dating old locks precisely is not possible in most cases, but often we can give a guide. 5. Please allow the minimum of seven working days for completion of work. 6.
